was referred by the Dy Commr

that it was "a deserving case
for charity from a Chattram".

This Secy. Commr had no authority to give the allowance in question without the sanction of Govt. The recipient is however stated to be a man deserving help and has five children to support. On the whole I think it is better to limit the allowance for a period of 4 or 5 years unless the man dies in the interval.

The Dewan's order referred to in the overleaf was communicated to the petitioner.

He has submitted a memorial to H.H. The Maharaja alleging that, during 1899, with a view to retire from the bustle of life, he had to resign his appointment; that he did not ask nor get any gratuity or pension for his services; that he, thereupon, went on a pilgrimage to Rameswara and other sacred places; that, during the interval, his wife died and the protection of 4 helpless children devolved upon him; that he ~~represents~~ represented his miserable condition in life to the then Deputy Commr., who was kind enough to take pity on him and his children, and created a living in the shape of certain allowance from the chattram at Sreerangapattam; that the allowance ^{had been} ~~was~~ hardly sufficient for his maintenance; that he was deprived of his means of living for no fault of his own; and praying that, as he had nothing to live upon, Government might be pleased to order the continuance of the allow^e or he and his children ^{have} ~~had~~ to die of starvation.

The petition has been referred to this office for disposal.

PROCEEDINGS

Dated 8th June 1903

No. 2474-62
Muz. F. No. 34-93

Directing, with certain observations
the discontinuance of the rice allowance un-
authorizedly granted from the Government
chattram at Melkote to one Lakshmi Nara-
simhachar of Mysore.

Proceedings of the Government of His Highness the Maharaja of Mysore,
Muzrai, dated 8th June 1903.

READ —

Government Proceedings No. 1730-8, dated 27th February 1903, directing that new Nehumidars should on no account be admitted into the chattrams without the sanction of Government.

AND —

Correspondence ending with letter No. 296, dated 5th May 1903, from the Deputy Commissioner, Mysore District.

—————

No. 2474-82—Muz. F. No. 34-93, DATED BANGALORE, 8TH JUNE 1903.

ORDER THEREON.—From the records received with the letter read above, it is observed that the Deputy Commissioner of Mysore issued orders sanctioning the grant to one Lakshmi Narasimhachar of Mysore of one seer of rice per diem with condiments or the payment of its equivalent value—about Rs. 7 per mensem—from the Muzrai annachatram at Melkote.

2. The chattram at Melkote, the feeding wherein was revived only in February 1902, has very little money (about Rs. 40 a month), and the Government have, in their Proceedings No. 1188-9 of the 7th February 1902, distinctly directed that this amount should be utilized solely for feeding *bond fide* travellers. By taking away from this small amount a sum of Rs. 7 a month, the object of the annachatram would certainly be defeated.

3. Upon an enquiry from this office as to how the rice allowance was granted without obtaining the previous sanction of Government, as directed in the Government Proceedings No. 23-32—Circular 1, dated 13th April 1892, it is explained that the allowance was granted by the Deputy Commissioner in the exercise of the enhanced powers vested in him on the abolition of the office of the Muzrai Superintendent, as per Government Proceedings No. 13343-53—Mis. 3495, dated 9th April 1901.

4. With reference to the above, the Government point out that the extension of powers referred to does not include fresh alienations of Government funds of the kind under reference. As the rice allowance in question is too much of a sequestration for a small chattram like that at Melkote, Government direct that it should be stopped. The Deputy Commissioner is requested to report the action taken in the matter to Government for information.

This is not allowance to be made for any religious services to be rendered but by way of provision to a man, who was unable to earn his livelihood through mental derangement. It does not seem therefore to be a *muqami* matter. Please call for the entire record as to the circumstances under which it was granted discontinued and also a report as to whether the man is entitled to any gratuity or pension.

Letter N<sup>o</sup>. 11449 D/20. 6. 06

Forwards the records of the case & states that Sriniwasiah was allowed to resign on his own request in 1899, in 1902 the deputy Commissioner Mr. H. Ramanujaiengar ordered a rice dole to him for life & that the dole was subsequently cancelled by orders conveyed in the muzzrai department. He further states that the petitioner having put in a service of 12 years only is not entitled to a pension unless he produces a medical certificate as regards his physical fitness.

The Office Note in the muz:  
file & the Govt. order N<sup>o</sup>. 3960-9 of 22-6-04  
give the facts of the case.

The Rev. Commissioner in his  
letter N<sup>o</sup>. 11449 of 20. 6-06 while observing  
that it is doubtful whether the peti  
is entitled to either pension or any  
gratuity, states that the petitioner by  
reason of his having put in a service  
of about 12 years should produce a  
medical certificate in case Govern-  
ment incline to grant him a pension  
and that he can easily get one.

Submitted for orders.

The case is one for disposal  
in Branch II

Sreenivasiah resigned of  
his own accord on the 17<sup>th</sup> April 1897. It is  
doubtful whether it would be expedient  
to go into the question of his eligibility

as a special case.

Under the circumstances of the case I acquiesce in the recommendation made by the Secretary General & Revenue Department. From the muzzrai file I see that the muzzrai Secretary Mr. Anantasanii Ran is also in favor of the grant judging from the tenor of his notes

The late Dewan <sup>was</sup> ~~who~~ quite opposed to the restitution of the rice dole. I think this is a case in which

Considerations of mercy & charity should override the strict & rigid application of the rules for granting rice doles from Annachatrams.

Government has a moral obligation to see that its retired servants are not left totally destitute & helpless.

Mr. R. Ramanujaiengar though he

Censured, acted like a good Samaritan in coming to the rescue of this unfortunate man

I would restore the rice dole as a special act of clemency

The Dewan agrees with the 2nd Councillor. The order may issue from the muzrai Department.
